

ENVIRONMENTAL POLICY

Stoney Pinch Pty Ltd is committed to the protection of the environment.

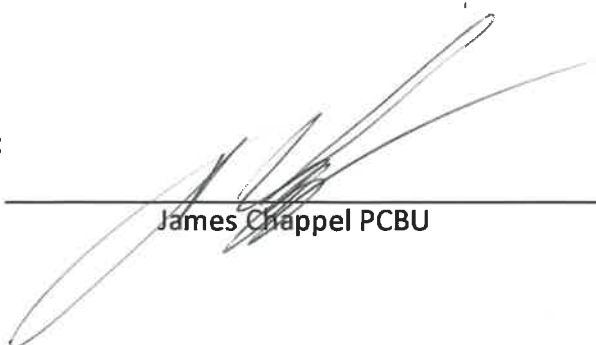

Our goal is the elimination of any adverse environmental impacts. We are committed to continual improvement, prevention of pollution, and to the minimisation of the main potential environmental impacts of the site – those being chemical spills and migration, energy usage and waste. Environmental objectives and targets are set and reviewed annually.

Strategies will include:

- Ensuring environment management principles are included in all organisational planning activities
- Providing ongoing education and training to our employees
- Consulting with employees and other parties to improve decision-making on environment matters
- Ensuring incidents are investigated and lessons are learnt within the organisation
- To preserve and wherever possible enhance the environment with rehabilitation
- Recycling wherever possible and
- Reduce our energy consumption where possible

Stoney Pinch Pty Ltd will comply with all relevant environmental legislation and Australian guidelines. We are fully committed to the provision of appropriate time and resources in achieving and maintaining certification to the International Standard ISO14001 for Environmental Management Systems.
